Class Policies-

1. Total class fee is required at the time of enrollment.
2. In order to keep our class prices low, all supplies must be purchased from BMS. In celebration of our 13th year, we extend a 13% discount on class supplies and all purchases made on class day (excluding Janome & Accuquilt machines).
3. If you are unable to attend your class for any reason, your class fee may be transferred to another class by the same teacher, if you notify us 5 working days prior to class. Cancellations made after 5 working days will not be eligible for transfer.
4. Refunds will not be given unless a class is cancelled. In that case we will notify you at the number you gave us when enrolling.
5. If you would like to bring food to class you are welcome to use our full kitchen and patio area. We ask that you please clean up after yourself. All drinks in the classroom area MUST have a lid.

6. A sewing machine is needed for all of the classes listed above. For maximized class time it is important that your machine be in GOOD WORKING ORDER and YOU ARE FAMILIAR with how to use it. Teachers cannot take time away from class to troubleshoot your machine problems. Therefore, students who experience great difficulty with their machine will need to rent a machine.
7. Machine rentals are available on a first come, first serve basis for \$10 a day. If you then purchase a machine from us, all rental fees will be credited toward your purchase.
8. Please be courteous to your fellow classmates and do not bring guests, use your cell phone, wear perfumes or discuss politics in class.
9. Our class policies are necessary to protect you, our shop and our teachers.
